

CULTURE ON PRESCRIPTION

NEWSLETTER #2 | JULY 2023

Welcome to the second Newsletter of the Culture on Prescription Erasmus+ project! We are happy to inform you about the progress of the project in which you are involved or interested. More information can be found online on our website culture-on-prescription.eu.

IN THE SPOTLIGHT

Compendium now available in all languages

The compendium 'Health Promotion Through Cultural Learning Experiences' is the first result of the project Culture on Prescription. One of the aims of this compendium is to provide an insight into social and cultural prescribing in Europe and to explore the current best practice.

WHAT WE DID SO FAR

Improvisation is the key in Theatre Therapy

The "Theatre Therapy" course in Bucharest makes deliberate use of creative exercises. With a warm-up, participants are put in the right mood to then start working on improvisation.

Einsam, zweisam, dreisam?

The Culture on Prescription project was presented at the event "Einsam, zweisam, dreisam?" organized by Frankfurt Health Department. The project was received with great interest. Participants showed curiosity about how to prevent loneliness and how this project can contribute to it.

Building Stories workshop in Dublin

"The 'Building Stories' workshop participants have been gaining experience in different types of printmaking, mono prints, stamp printing and lino printing. It's great to see their enthusiasm and how they have progressed, but the best part for me is seeing how through art making we can share our stories of place and create connections". (Susan Leen, Art Facilitator, COPE, DCU)

STAY TUNED!

Follow our social media campaign!

Every month, the project team posts on social media about the project. This way, we hope to reach more people and convey our enthusiasm for the project. The posts are very different: from people stating what they expect, to substantive insights on how to shape the Culture on Prescription project. Check out the latest post here!
